

## ROCKIN' REPTILES

June 16 - June 20

Why do snakes stick out their tongue and how do they move without legs? Learn all about cold-blooded animals like snakes and turtles and make an alligator puppet with snapping jaws!

## SUMMER SAFARI

June 23 - June 26

Gear up for an animal adventure as we craft Safari hats and animal masks and learn about the animals that live in the desert.

## GARDEN GROWERS

June 27- July 11

How Does a garden grow? Let's Find out! Examine seeds like beans, sunflowers and pumpkins—feel their textures and discover differences, and journey through the plant lifecycle.

## ZOO FRIENDS

July 14 - July 18

Become a junior zookeeper as we meet lions and elephants and join monkeys on a wild adventure. We'll make elephants, zookeeper hats and handprint peacocks. Acting like an animal sure can be lots of fun!

*\*SAN FRANCISCO ZOO FIELDTRIP\**

## INCREDIBLE INSECTS

July 21- July 25

Crawl into the amazing world of bugs with fun, hands- on activities! Discover the unique parts of a bug—

from its head and legs to its antennae. Unleash your creativity by designing your own insect and craft colorful, symmetrical butterflies.

## CANVAS KIDS

July 28- Aug 1

Get ready for whirlwind of creativity! Use sponges, cotton balls, and even toy cars dipped in paint to create unique artwork, experiment with mixing primary colors to discover new shades, and craft kaleidoscopes to explore dazzling patterns and colors.

## DINOSAUR DISCOVERY

Aug 4- Aug 8

Stomp, stomp ROAR! Do you know what prehistoric animal made that noise? Find out as we journey into the world of dinosaurs, hatching dinosaur eggs and creating dinosaur fossils out of playdough.

## MAKIN' A MESS

Aug 11- Aug 15

Get messy as we create splatter masterpieces with paint covered with pom poms, mix up fizzy water, and make color bubbles that pop!

## SUPERHEROS!

Aug 18- Aug 22

Superheroes have powers! What's yours? Transform into a superhero and find your superpower, design a facemask, and make a superhero cape.

\*\* Please note that these fun weekly themes are in addition to our academic curriculum \*\*
